

Colts required for 2012 Season

Wanderers are seeking Colts aged U15-U18, boys and girls to join our Colts side for next season. Wanderers have a strong focus on junior development and Colts are seen as an important stepping stone for players progressing from juniors to seniors, for both girls and boys.

Wanderers have a proud tradition in the Colts competition, winning 9 of 10 premierships from 1999-2007, in the competitions initial inception. The majority of those Colts went on to play for our Premier league side. Players will also have an opportunity to train alongside and with our Premier team.

Wanderers have experienced coaches to assist all Colts in their skill development and progression from juniors to seniors. Des Patton will coach the side, with players also being mentored by Premier Men's coach Scott Siddell and Premier Women's coach Gerard Black.

We have 3 excellent fields for training and with home and away fixtures next year, Wanderers Park will host the majority of games.

Training's are traditionally Tuesdays and Thursday nights with games on the weekend.

We will start training in January and we are having a meet and greet BBQ for all colts/senior players for 2012. Details will become available at a later date.

Text Des 0407 733501, or post on Facebook and become a part of our Colts legacy.
