JUNIORS

- Junior sign on went fairly well with the new MyFootballClub registrations.
- Junior numbers are up on last year by 2 teams.

SENIORS

- Registrations are very low despite lots of players at training. Players need to register now so the club can nominate teams.
- Numbers at training have been good. With a high of 60 players total last week. We are getting +20 men and +15 women consistently to training.
- All senior players who have registered and paid will receive a training shirt. This shirt can be used at training and as a warm up shirt before games. We also ask that players wear this shirt for the 2012 Marina Fun Run (June 3rd). We ask that players make a \$5 donation for the shirts, this money will go to the Leukaemia Foundation.
- Still need more women's players.
- Senior preseason starts 25th Feb for two weekends.
- Season starts 9th 10th 11th Mar
